Hello DancePro Family

I can hardly believe it... it's been four incredible years with Little Miss Trudy, and what an amazing time it's been! She's full of fun, keeps me on my toes, and I've loved every moment of our adventures together. Here's to many more!

I hope you all enjoyed the bank holiday and half term break. I managed to squeeze in some quality catch-ups with friends in London, finally tackled a bit of admin and choreography (win!), and even gave my poor car the clean it desperately needed!

Last night was a real treat as it was MPAA's end-of-term show and it was a total joy to watch. I've had the pleasure of teaching jazz and contemporary this half term (a lovely change from my usual ballet classes), and I was bursting with pride seeing the students bring such energy and talent to the stage.

Back at DancePro, our students are working incredibly hard preparing for their upcoming ISTD Modern and Tap exams and I'm so proud of their focus and commitment. Our crew has another exciting competition on the horizon, and we'll be diving into a fresh new routine ready for September.

We've also opened up junior classes to preschoolers, helping them build stamina and confidence as they prepare for Reception. It's never too early to start the journey!

There's plenty more happening, so read on to find out what's new at DancePro!

Exam prep update

Our students have been working so hard in class and it's fantastic to see their confidence growing week by week as we head towards exam season.

This next half of term, we'll be focusing on perfecting syllabus work and starting to create their exam dances. Keep up the great work at home. I love seeing your practice videos, so keep them coming! You're all doing brilliantly.

Autumn term timetable

As with any school or structured hobby, students naturally progress and move up through the levels. I've kept timetable changes to a minimum to avoid too much disruption, but some adjustments are necessary to make room for our younger dancers who are just beginning their DancePro journey. Thank you for your understanding and support during this time of transition.

Please find the updated timetable for the Autumn term below:

Ballet Exam Students

Students wishing to be entered for ballet exams must attend a minimum of two classes per week. In addition to their regular classes, exam coaching sessions will be scheduled on Saturday afternoons and are compulsory for all exam candidates.

Thank you for your continued commitment and support — it's going to be a fantastic term ahead!

Invoices will be sent out on the 3rd June

Beam has invited us back for auditions on Saturday 28th June, and Campus West has extended an invitation for Sunday 29th June after being impressed by our students' performances in the show — what an honour!

Wishing the best of luck to everyone auditioning. Enjoy the experience and I can't wait to hear all about it!
