Panto Success

On Sunday, eight of our students took on a gruelling dance audition at Beam for a chance to perform in this year's pantomime, and I couldn't be prouder of them. They all presented themselves beautifully and behaved with true professionalism throughout a challenging day. Everyone made it through two tough heats, which is an outstanding achievement in itself! Finally, after the last cuts, I am thrilled to announce that Amelie, Isabelle, Willow, and our very own Miss Laura will be performing in the panto this year! We are also so proud to share that Sienna and Ruby have secured places on the reserve list, ready to step in if needed. Well done to all who auditioned, your hard work, courage, and passion continue to shine!

Good Luck to Our Exam Students

Our students have been working so hard in class and it's fantastic to see their confidence growing week by week as we head towards exam season.

This next half of term, we'll be focusing on perfecting syllabus work and starting to create their exam dances. Keep up the great work at home. I love seeing your practice videos, so keep them coming! You're all doing brilliantly.

Good Luck to our performers!

This Saturday, our talented dancers will be performing at Ware Carnival at the Arena at 2:15pm. We would love you to come along and support them! We're so excited to be performing again on 11th July at Christchurch School, bringing smiles and energy to the community. Best of luck to all our dancers taking part. Dance your hearts out, enjoy every moment, and know that we are all so proud of you. Let's show Ware what DancePro Academy can do!

Student Shout out

... Emily &

Emily has worked so hard this term, showing incredible focus and determination in all her classes. With exams coming up, it's clear how much effort she has put into practising, and it has truly paid off!

Her personal progression has been huge, and no matter what happens in her exam, this little dancer has already achieved top marks from us.

Well done, Emily, for all your hard work and dedication – you definitely deserve Student of the Month! Keep shining!
