Exam Success

We're thrilled to share the fantastic results from our recent Modern and Tap exam session...With an amazing 12 High Merits and 17 Distinctions awarded! Even more impressively, students learned all of the exam work in just one term, which makes their achievements truly outstanding. These results are a testament to their focus, commitment, and the power of combining regular classes with targeted exam coaching sessions—plus plenty of practice at home. I'm incredibly proud of each and every one of them.

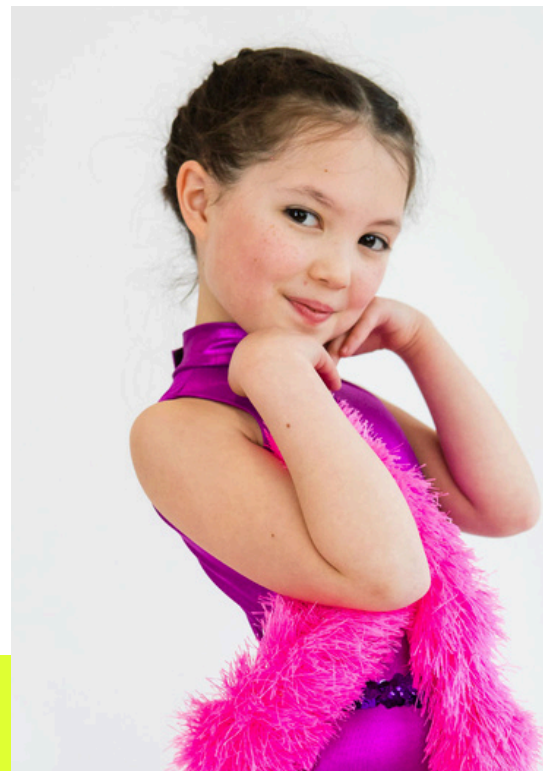

Looking ahead, Ballet exams will take place in the autumn term, and we'll be following the same successful structure. Students taking exams will need to attend coaching classes specific to their grade, which allows us to work closely in exam groups and run things one grade at a time. I'm already looking forward to it all!

Summer Vibes and DancePro Wins!

I hope you've all been enjoying the luxury of slower mornings, a break from the school run, or perhaps some exciting holiday plans! After a jam-packed term at DancePro Academy, I took a breather in Bristol with my cousin - shopping, scenic dog walks, theatre trips, hikes, and plenty of giggles over a glass of red.

There's lots to celebrate and look forward to at DancePro! We're thrilled with the fantastic results from our recent exam session - well done to all our dancers for your hard work and dedication. Next up, we'll be turning our attention to ballet exams, so planning begins soon. And don't forget, our much-anticipated Day of Dance is just around the corner!

Stay tuned for all the exciting updates!

Student shout out

A massive well done to Erica, who achieved an outstanding 84 in both her Modern and Tap exams! Scoring so highly in two genres is a fantastic accomplishment and reflects all her hard work, consistency, and natural ability. We're incredibly proud, well done, Erica!

A Day of Dance

We still have a few spaces left for our Day of Dance on Monday 4th August at Southern Maltings, Ware, and we'd love for more dancers to join us! The day runs from 9am to 4pm (12pm finish for preschoolers) and is packed with fun, creativity, and a chance to try a range of dance styles with our amazing teachers. No dance experience is needed, just a positive outlook and a willingness to have a go!

Feel free to invite a friend along, it's the perfect way to spend the day moving, learning, and making new memories.
