- Student Success
- October Workshop
- Charity week
- Dance Mania
- Exams

We've hit the ground running, and what a busy and exciting start it has been. Festivals and competitions are already well under way, and our students have been working hard as they prepare for their upcoming exams. We're also looking forward to our special charity fundraiser week, which promises to be a wonderful opportunity to come together as a community, raise money for a great cause, and have plenty of fun along the way.

One of the highlights we're especially excited about is the K-pop workshop—something new and different that we're sure will be a hit! Opportunities like these, alongside the many other events taking place this term, show the incredible variety of experiences available to our students, both in and out of the classroom.

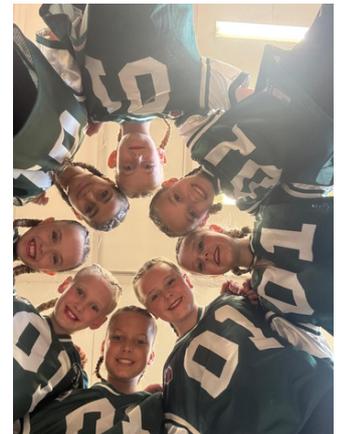

Behind the scenes, a great deal of planning and preparation goes into making these opportunities possible, and we're grateful for the energy, enthusiasm, and support from staff, students, and families alike. Even as the weather has turned colder, the warmth, creativity, and buzz of activity in our community continue to shine through.

Festival of Performing Arts

This month marked DancePro Academy's very first Festival of Performing Arts, and what an experience it was! The festival was bursting with creativity, inspiration, and talent. Our students rose to the challenge brilliantly, and the results were nothing short of phenomenal!

Behind these achievements lies so much hard work, students taking private lessons and practicing independently to perfect their performances. Their dedication truly shone on stage, and I couldn't be more proud of each and every one of them. A huge congratulations to all who performed, you represented DancePro Academy with such passion and professionalism. This has been an incredible first step into the festival world, and I hope it's the beginning of many more to come!

Well done!

Coming up...

Charity week...

We're so excited to announce our upcoming Charity Week here at DancePro Academy! Throughout the week commencing the 20th October, students are invited to bring along a friend of a similar age to join their class; whether they're brand new to dance or just curious to give it a try. Together, we'll be raising money in support of the Make-A-Wish Foundation UK, a wonderful charity that grants life-changing wishes to children with critical illnesses. Every penny makes a difference, and donations can be made directly via our page: [DancePro's JustGiving link](#). To make the week even more fun, we'll be dancing in fancy dress. Halloween costumes are welcome, but absolutely anything goes! There will be choreography, teaching, games, and plenty of laughs along the way.

Not only is this about raising money for a fantastic cause, but it's also a chance to welcome new faces into our community. We hope visiting friends will enjoy the classes, get inspired, and maybe even join us at DancePro Academy in the future. Let's come together, have fun, and make a real difference!

29th October

I'm sure you all know the details by now, but I just want to say how thrilled we are at the response. This workshop has been incredibly popular! There are only a few spaces left, so if you'd like to take part, or if you have friends who might be interested, now is the time to get in touch and reserve your place. Alongside the K-pop element, I'm planning to give students the chance to choreograph and even design their very own demon hunter characters, adding a creative twist to the day. It promises to be a fun, energetic, and unforgettable experience—so don't miss out. Book now to secure your spot!

Weds 29th October

Ballet Exams

With just seven weeks to go until ballet exams, students have now been invoiced and officially entered—so it's time to focus and give it your all! These exams are an amazing opportunity to showcase your hard work and dedication, but remember: the outcome depends on you. It's your exam, your responsibility, and the effort you put in during practice will shine through on the day.

As we always say, practice makes progress. Every extra run-through, every correction taken on board, every moment of focus adds up. The stage is set for success, and I know you all have it within you to achieve something incredible. Let's make these next few weeks count—your future self will thank you for the commitment you put in now!

Dance Mania

We're thrilled to share that our Street Dance Crew and Thursday Modern class will be performing at Dance Mania on Sunday 2nd November at 2:30 PM! This is an exciting showcase that brings together dance schools from across the area—so if you love seeing a huge variety of talent and styles on stage, this is the afternoon for you.

It's a fantastic opportunity for our students to shine in front of a big audience and be part of a wider celebration of dance. We can't wait to see them up there doing what they love best! If you'd like to come along and support, tickets are available here: [Dance Mania Tickets](#).
