

# June 2026

## DANCEPRO'S LATEST NEWS

- Cinema screening of 'Elevate'
- Have you purchased your pics?
- Dates for the Diary
- Show 2027 dates.
- Kinesiology

### *Hello June Bugs!*

How are we already halfway through the year?! June has arrived with some gorgeous weather and a really lovely atmosphere in the studio. Classes are going so well, and it's been amazing seeing so many students giving new dance styles a go and stepping out of their comfort zones. We've also had lots of new students join us recently, and as always, everyone has been so welcoming and supportive. There's lots going on at Dance Pro this month, so keep reading to see what we've been up to and what's coming next!

### *Lights, Camera... DancePro!*

For the very first time ever, we're bringing our show to the big screen! If you missed the performance – or just want to relive the magic – come and watch the show at the cinema alongside the stars themselves. We'd love to fill the screen with our Dance Pro family, so friends, family, neighbours... everyone is welcome! There's something very exciting (and slightly surreal!) about seeing our dancers up on the cinema screen, and we can't wait to experience it together.

📍 Campus West - Screen 2, AL8 6BX

🕒 11am - 12:30pm

🎫 Tickets: £8

(plus £1 booking fee + £1.75 convenience fee – so it's definitely worth booking together in bulk!)

Purchase tickets here:

### *Picture Perfect...*

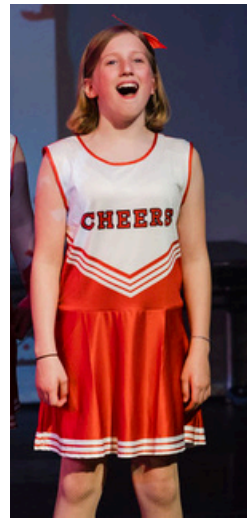

Have you ordered your show photos yet? The ones I've seen so far are absolutely GORGEOUS and such a lovely keepsake from the show. From the costumes to the stage moments and all the smiles in between, they really captured the magic of the day perfectly.

There's still time to order yours!

Browse the gallery here:

Trust me – you'll want these memories saved forever

## Save the Date... Show 2027 is on!

We're so excited to announce that the show has already been booked for 2027 and after the success of the last one, you do not want to miss out! Get those calendars out and save the dates now so there are no clashes nearer the time. To take part in the show, all performers must be available for the full rehearsal and show schedule:

### **Saturday 8th May 2027 - Dress Rehearsal**

This is such a special day in the show process. All students perform and watch each other's routines, photographs are taken, the Finale comes together, and there's an amazing buzz in the theatre all day long. It's always one of the most exciting parts of the experience!

### **Saturday 15th May 2027 - Tech Rehearsals**

Selected numbers will be rehearsed with lighting and staging.

### **Sunday 16th May 2027 - Tech, Dress & Show Day**

The big one! Final rehearsals, costumes, excitement, nerves, glitter... and SHOWTIME!

Please note: all performers must attend ALL rehearsals to take part in the show.

Pop the dates in your diary now so you don't miss out on being part of something really special.

## Kinesiology

Some of you may know that alongside Dance Pro, I've been studying Kinesiology – and I'm so excited to now be able to start putting it into practice more regularly.

So... what is Kinesiology?

Put simply, it's a gentle nervous system response test that looks at the relationship between the muscles and the brain to help identify what may be going on in the body. Through muscle response testing, we can uncover emotional, nutritional, structural and electrical imbalances that may be affecting things such as coordination, concentration, reading, writing, listening, anxiety, sleep, food sensitivities, skin issues and much more. It's a fascinating and very holistic approach that combines principles from acupuncture meridians, neuro-lymphatic and neurovascular systems to look at the body and its symptoms as a whole, rather than just focusing on one issue in isolation.

I completed my Foundation Level training in December and am currently studying towards my next qualification level, which will allow me to work professionally with paying clients in the future. In the meantime, I'm looking for people who would be happy to come for practice sessions while I continue building my experience.

For now, sessions will be offered on a donation basis to help cover hall hire costs, and both children and adults are very welcome.

Appointments can be arranged and held at Southern Maltings.

If this is something you'd be interested in, I'd love to hear from you.
