Autumn Term Updates!

Welcome to our latest DancePro Academy newsletter!
I hope everyone has enjoyed a lovely half-term break and is feeling refreshed and ready to get back to dancing! It's been a busy and exciting few weeks at DancePro, with lots happening both in and out of the studio. From our fantastic fundraising Fancy Dress Week in support of Make-A-Wish UK to the wonderful enthusiasm and progress I'm seeing in classes, there's plenty to celebrate.
It's always lovely to see our students growing in confidence, developing their skills, making friendships and, most importantly, enjoying their dancing. Whether they're taking their very first steps in Baby Ballet or working towards more advanced routines and performances, every little achievement deserves to be celebrated.
As we head into the next part of the term, there are a few updates, bits of news and exciting things I'd love to share with you.
Thank you, as always, for your continued support, for bringing your children along each week and for being part of our DancePro family.
Happy dancing!

Make A Wish

A huge thank you to everyone who has supported our Make-A-Wish fundraising week so far! We've had lots of fun in class with our Fancy Dress and Bring a Friend week, and I'm delighted to say that we've already raised an amazing £270!
Tomorrow is our final day of fundraising, so there's still time to get involved! If you haven't had a chance to donate, or know someone who would like to support this wonderful cause, every contribution, however big or small, makes a difference.
Make-A-Wish UK helps grant life-changing wishes for children living with critical illnesses, bringing them hope, joy and precious memories when they need them most.
You can make a donation here:

Thank you again to all our families, students and friends for getting involved. I'm so proud of our DancePro community! 💛

If your child enjoys dancing at DancePro Academy, we'd be so grateful if you could take a moment to leave us a Google review.
Reviews are incredibly helpful to small businesses like ours and, more importantly, they give other parents an insight into what it's like to be part of our DancePro family. Whether it's the friendly atmosphere, the teachers, the confidence your child has gained or simply how much they love coming to class, we'd love to hear about your experience.
Your kind words really do make a difference and help other families find the right dance school for their children.

Student Spotlight Jessie!

Our student spotlight is all about our wonderful Jessie, who has been dancing with DancePro since June 2019!
When Jessie first joined us, she was incredibly shy and would often cry during class, although she was always desperate to dance and would settle as soon as she was in the studio. With lots of encouragement from her lovely mum, she persevered and continued to follow her dream of learning ballet.
Fast forward over seven years and what a journey it has been! Jessie has been an absolute pleasure to teach, and it has been amazing to watch her confidence, ability and love of dance grow. She listens carefully to feedback, works hard to put it into practice and takes real pride in the little details – even mastering a beautifully neat classical bun worthy of a dance festival!
Her most recent achievement has been a fantastic 90 Honours at Fierce Festival for her solo. Having seen Jessie perform this solo for the first time and comparing it to her most recent performance, the improvement has been incredible. The hours of practice, dedication and private lessons have really paid off.
Jessie, I am so proud of how far you have come. Your hard work, determination and willingness to learn are wonderful qualities, and you thoroughly deserve your success. I can't wait to see what comes next for you! Keep believing in yourself and keep dancing!
